

Members' Allowances Scheme 2016/17 – adopted 21 March 2016 (Revised 19 June 2017)

1. Effective Dates

- 1.1 In accordance with the Local Authorities (Members Allowances) (England) Regulations 2003, as amended, the Council, at its meeting on 21 March 2016, has agreed the following Scheme of Members' Allowances, which will have effect for the period 1 April 2017 to 31 March 2018.

2. Basic Allowance

- 2.1 All Members are to receive an annual Basic Allowance in the sum of £8014.
- 2.2 The amount of Basic Allowance is based upon the following formula:-

[(estimated 2009/10 median Warrington hourly rate) x (councillors hours worked) x (weeks per year)] – voluntary contribution = Basic Allowance.
i.e. (12.35 x 22.5 x 52) – 45% = £7,947 x 1% = £8014

*¹NOTES: (1) The above figure was adjusted downwards in 2009/10 to £7,911, so as not to increase the allowance by greater than the 2.5% increase set aside in the 2009/10 Budget for the staff pay award. The resultant figure has been retained for 2010/11, 2011/12, 2012/13, 2013/14, 2014/15, 2015/16 and 2016/17.

- 2.3 The Basic Allowance shall increase annually in accordance with a percentage amount for inflation as determined by any positive value of the Consumer Price Index (CPI) as at February immediately prior to the introduction of a new Scheme and shall be so indexed for a period of four years commencing on 1 April 2016 and ending on 31 March 2020. In the event of a negative value for inflation (deflation) there will be no change to the level of Basic Allowance.

3. Special Responsibility Allowance

- 3.1 An annual Special Responsibility Allowance shall be paid to the following office holders, in accordance with the amounts shown below:-

Position	% of Leader's SRA	% of Chair's SRA	Allowance

3.2 Where more than one position is held by a Member, only one Special Responsibility Allowance is payable (the highest amount).

3.3 The Independent Remuneration Panel met on 16 February 2016 at which the panel recommended an SRA for the opposition leader in accordance with the following proportionality methodology:

For one or two opposition parties an SRA of £8506 be applied to each of the Leaders of each opposition party. For three or more opposition parties £8506 be allocated to the Leader of the largest group and then each further party leader to receive a proportion of £8506 according to the size of the group (the total figure not to exceed £17,012).

3.4 The Local Government (Committees and Political Groups) Regulations 1990 provides details on the composition of a political group. In essence a party is two or more members that have provided a notice in writing to the proper officer of their intent to be treated as a group. The name of the group has to be provided together with details of who will act as the Leader. If the group falls to less than two it no longer remains a group.

4. Travelling and Subsistence

4.1 Within the Borough

4.1.1 The following annual rates are payable to Members:

Annual Single Rate	Amount per Annum
All Members without SRA	£243
All Members with SRA	£486

4.1.2 Members are entitled to receive a Warrington Borough Transport bus pass, if one is requested. The cost of the bus pass will be deducted from the annual allowance for in-borough travel.

4.1.3 Members using taxis for travel on Council business in-borough should normally fund this from their annual travel allowance. Where the Council accepts that a Member has specific mobility issues and the annual travel allowance is insufficient to cover the total annual cost of taxi fares, the Head of Democratic and Member Services may determine that an additional sum may be payable to cover such costs. Members will be responsible for keeping their own records and receipts as proof of expenditure. Any disagreement about entitlement to an additional allowance will be referred to the Standards Committee.

4.2 Outside the Borough

4.2.1 The following rates, which correspond to the staff travel and subsistence rates to the extent identified at paragraph 10.4, are payable to Members and Co-optees:-

Where a main meal (i.e. breakfast, lunch or dinner) is taken on a train during a period for which there is an entitlement to meal allowance, the reasonable cost of the meal may be reimbursed in lieu of payment of the meal allowance.

- Members should make arrangements for travel and subsistence to be paid directly by the Authority rather than by the Member, unless in exceptional circumstances agreed in advance with the Head of Democratic and Member Services;
- Members shall provide receipts to justify claims for travel and subsistence allowances;
- Members should only be able to claim the actual amount of expenditure incurred
- Members should indicate the Town Hall as the start and return point for all out of borough journeys, even when the journey commences at home.

4.2.2 The rates of travelling and subsistence allowance for Outside the Borough (except as indicated at Paragraph 10.3) shall be increased in line with any 'in year' or annual increases in respect of the corresponding allowances payable to staff, and shall be so indexed for a period of four years commencing on 1 April 2013 and ending on 31 March 2017.

- 10.3 No annual index will be applicable to any allowance, except in the case of:-
- Out of Borough Travel and Subsistence Allowances;
 - Childcare and Dependants' Carers Allowances; and
 - Basic Allowance (from April 2016 only).

The index in relation to Out of Borough Travel is the staff rate, except (until 30 April 2015) in the case of the motor car allowance and motor cycle allowance, where the index applied is the HMRC rate for business use up to 10,000 miles. With effect from 1 May 2015 the HMRC rates also apply to staff, so the above exception is no longer required. The index in respect of Subsistence Allowance does not extend to the rates for London, which will be determined

separately for councillors. The index for the Basic Allowance is the percentage for inflation based on any positive value of the Consumer Price Index as at March immediately prior to the introduction of a new Scheme.

10.4 Members will be supported by a range of services provided directly by the Council, as determined by the Head of Democratic and Member Services, following consultation with the Councillor Development Forum and relevant Executive Board Member. Services currently provided include the following:-

The capital allocation will not be paid up front, but rather an individual account/spreadsheet will be kept and managed by Democratic and Member Services for each Member identifying a running total. If a Councillor decides to have the equipment provided by the Council, the cost of the equipment will be deducted from the running total.

Should a Councillor decide to procure equipment outside the range provided by the Council, the equipment will need to have the appropriate securities placed on it and conform to the standards set by the ICT Service.

- Access to the Council's Cycle2Work Scheme;
- Access to the Childcare Voucher Scheme;
- Access to the Warrington Rewards Scheme;
- Payment of any fees to the Information Commissioner's Office for the registration of an individual Member as a data controller, for the purposes of holding and processing any personal information required for ward working.
