If it is desired to fell any of the trees included in this Order whether included as trees, groups of trees or woodlands and the trees are trees for the felling of which a licence is required under the Forestry Act 1967, application should be made not to the Authority for consent under this Order but to the Conservator of Forests for a licence under that Act (Section 15(5)).

**TPO BURTONWOOD ROAD, GREAT SANKEY -

The original Order is on record as dated 15 May 1985. There is a further entry dated 14 July 1988 which states that the aforementioned Order was revoked and that the 88 Order was to replace it. Unfortunately there is no indication that the Order was confirmed and I have therefore asked Miss Sharon McGowan in the Committee Section ~~was~~^{to} check the Committee resolutions following the July period of that year to ensure that no resolution was passed unknown to us.

In all seriousness I suspect that the Order was never confirmed and therefore if you wish to protect the trees in issue you must issue further instructions in respect of this matter.

Extensive enquiries and searches have been made throughout all Council records/sealed order books/files, however, I have been unable to locate the D65/84 file either from 1985 or 1988. I understand that in the last two years you have contacted David Whelan in Legal for information in respect of this TPO and wonder if perhaps it could have been filed with other orders made at that time. It may be helpful if you would indicate the approximate date of your last enquiry to the Chief Executives Directorate.

I regret that I was unable to be of further assistance to you before leaving the Council's employ.
