Dear Sirs,

Re: Warrington Local Plan
Land at Newton Road, Winwick

We attach a Call for Sites Registration Form which we wish to supplement with the following representation.

1. In relation to the Green Belt Study the conclusion of the consultants is that the site overall makes a moderate contribution to the purposes of the Green Belt. As such it offers the opportunity for a residential allocation without materially affecting the integrity of the Green Belt.
2. Winwick provides a community leisure centre, a public house/restaurant and a small range of shops. It is well related to the employment areas of Warrington (1 mile) and the M6 junction 22 and M62 junction 9 (each about ½ mile).
3. This site constitutes a deliverable housing site well related to a viable settlement which is capable of readily meeting the demands for housing within the Green Belt.

Yours faithfully,

FRANK MARSHALL & CO.

'Call for Sites'

Warrington Borough Council Local Plan Review

Call for Sites Registration Form

October 2016

Please note this 'Call for Sites' is for five or more dwellings or economic development on sites of 0.25 ha (or 500sqm of floor space) and above, Gypsy, Traveller and Show People and Minerals and Waste sites.

The identification of sites does not imply that the Council considers that the site is suitable for development, either now or in the future. It cannot be taken as representing either an intention to allocate these sites, or as a material consideration in the determination of a planning application.

Potential sites that have been identified will be further tested through the Plan-making process, including through the Spatial Distribution and Site Assessment Process, Sustainability Appraisal/Strategic Environmental Assessment, several stages of public participation and independent examination.

Please also note that all the responses and information received as part of the 'Call for Sites' will be published and made available for public viewing as part of the open and transparent Plan making process.

NOTE: Please read the accompanying guidance note [here](#) before completing this form and complete a separate form for each site that you are submitting to the Council.

Please return your completed form and any accompanying supporting material to Planning Policy, Warrington Borough Council no later than 5.00pm on Monday 05th December 2016.

By e-mail: ldf@warrington.gov.uk

(8) Site Availability

Please indicate when the site may be available

Excluding planning policy constraints, when do you believe this site could be available for development?

Immediately

(Note: to be "immediately available", a site must be cleared, unless being considered for conversions.)

If not immediately, please state when it could be available:

If the site is not available immediately, please explain why – e.g. the main constraint(s) or delaying factor(s) and actions necessary to remove these:

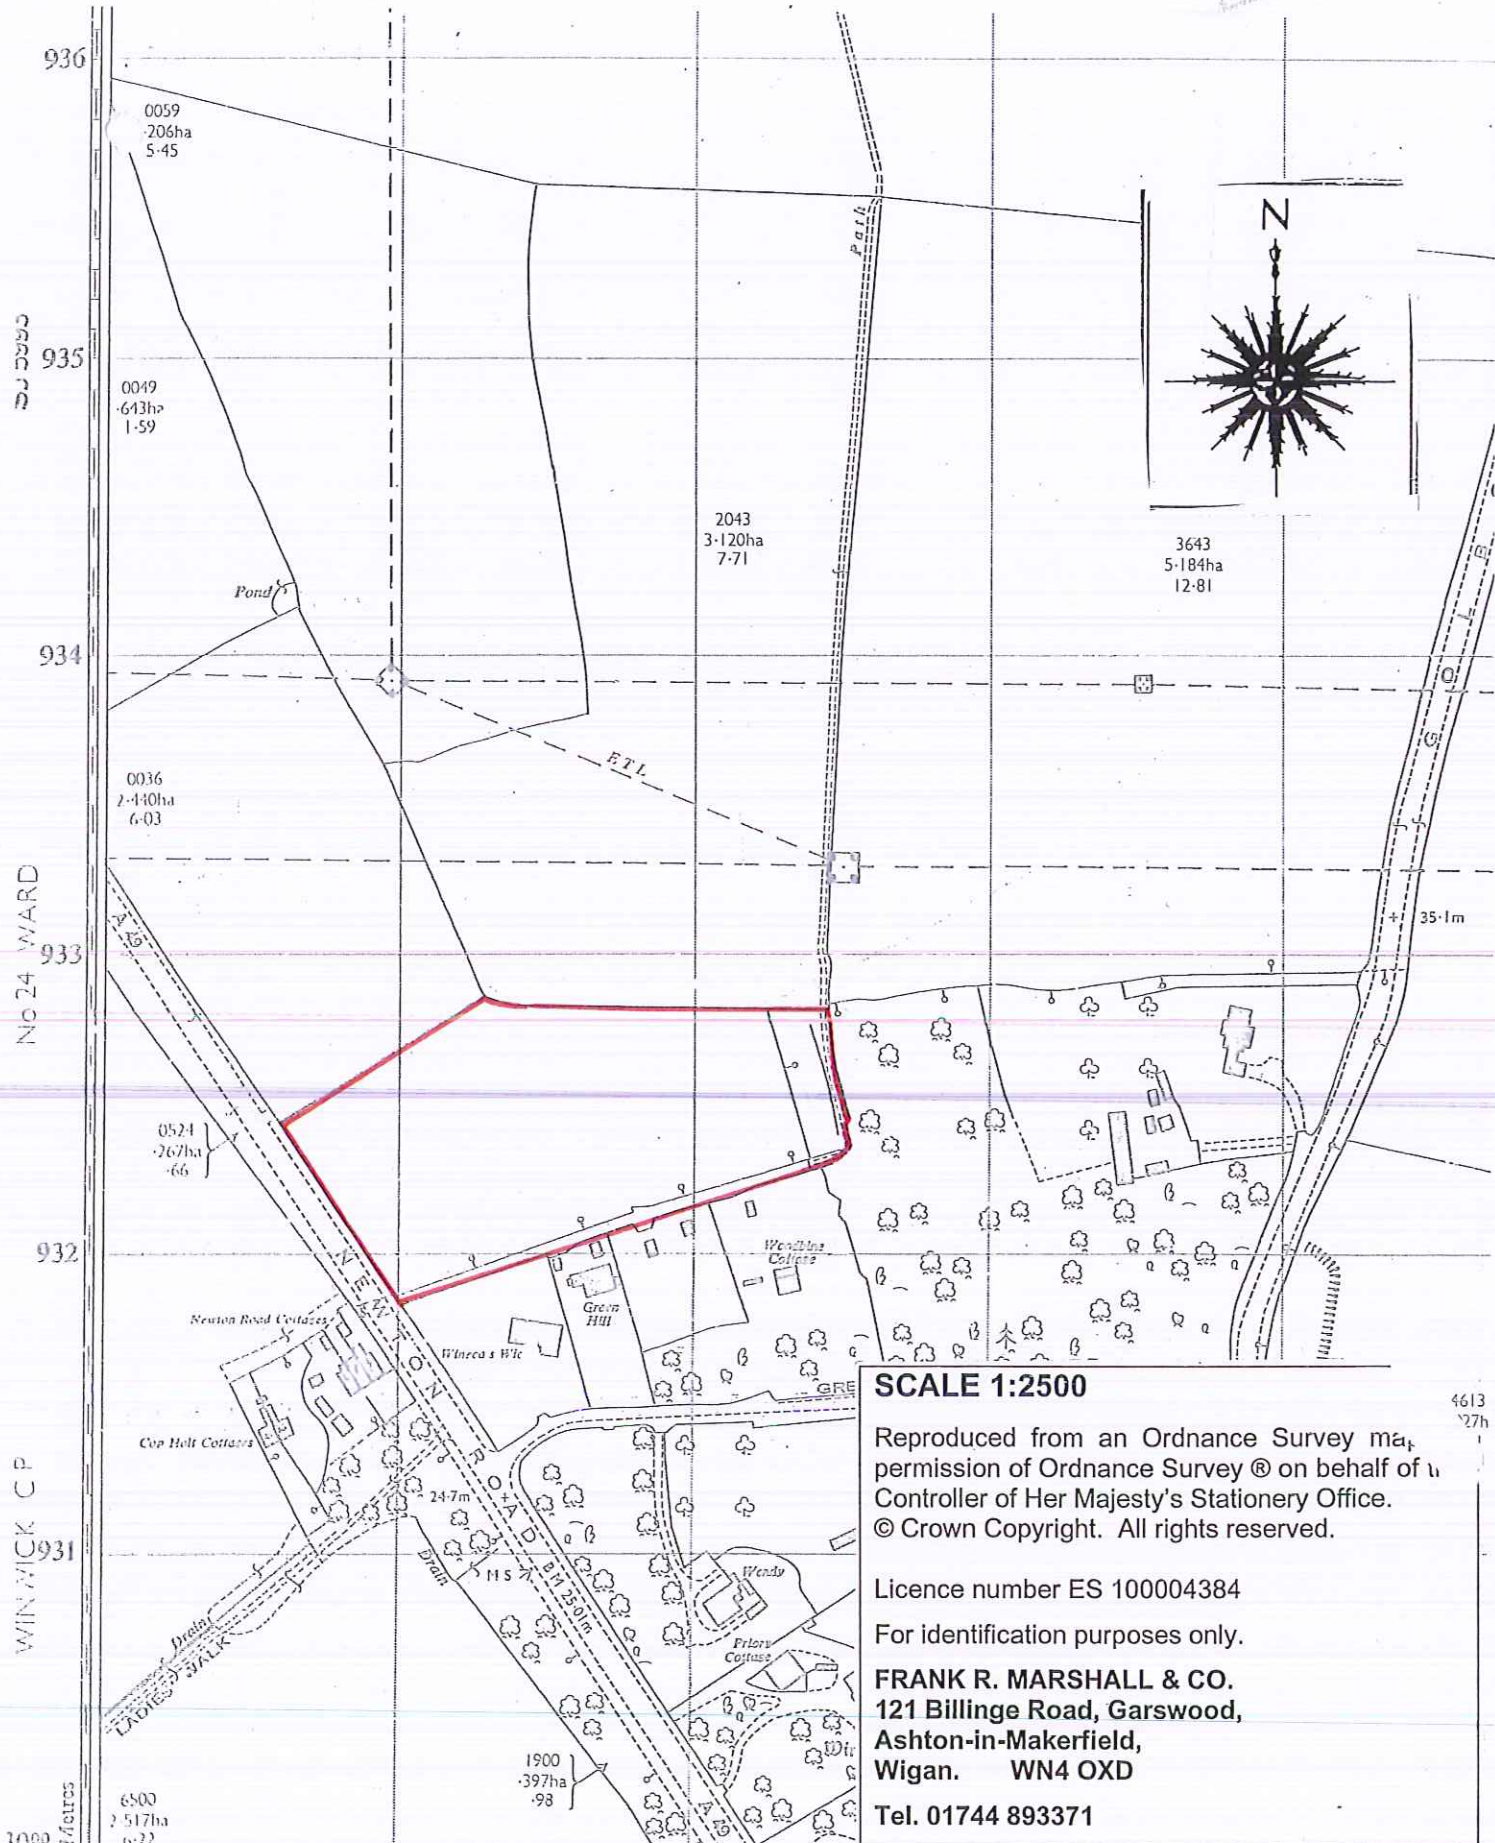

(9) Any Other Information

Please tell us anything else of relevance regarding this site if not already covered above that will ensure that it contributes positively to the achievement of sustainable development. Please use a separate sheet/s if necessary.
