# 'Call for Sites'

## Warrington Borough Council Local Plan Review

### Call for Sites Registration Form

October 2016

**Please note this 'Call for Sites' is for five or more dwellings or economic development on sites of 0.25 ha (or 500sqm of floor space) and above, Gypsy, Traveller and Show People and Minerals and Waste sites.**

The identification of sites does not imply that the Council considers that the site is suitable for development, either now or in the future. It cannot be taken as representing either an intention to allocate these sites, or as a material consideration in the determination of a planning application.

Potential sites that have been identified will be further tested through the Plan-making process, including through the Spatial Distribution and Site Assessment Process, Sustainability Appraisal/Strategic Environmental Assessment, several stages of public participation and independent examination.

Please also note that all the responses and information received as part of the 'Call for Sites' will be published and made available for public viewing as part of the open and transparent Plan making process.

**NOTE:** Please read the accompanying guidance note [here](#) before completing this form and complete a **separate** form for each site that you are submitting to the Council.

***Please return your completed form and any accompanying supporting material to Planning Policy, Warrington Borough Council no later than 5.00pm on Monday 05<sup>th</sup> December 2016.***

Dear Sir/Madam,

**LAND SOUTH OF GRAPPENHALL HEYS, WARRINGTON  
BARRATT AND DAVID WILSON HOMES NORTH WEST**

On behalf of our Client, Barratt & David Wilson Homes North West, and further to our previous discussion with Michael Bell, and our letter of 2 February 2017, please find enclosed a "Call for Sites" Proforma and location plan in relation to our Client's interests at land south of Grappenhall Heys, Warrington.

The parcel of land which is subject to this Call for Sites submission is within our Client's control and is, subject to its release from the Green Belt, available for residential development.

Our Client is currently in discussions with the HCA, to establish how the Site can link to the emerging masterplan for the land immediately to the north, which is under HCA control and is expected to come forward for development imminently.

The Site would form a logical and deliverable extension to Grappenhall Heys. It is also located immediately adjacent to the previously proposed link road proposal which would see Grappenhall Heys link to the B5356 (Grappenhall Lane) to the south east and the roundabout junction at Dipping Brook Avenue/Blackcap Road to the south west.

We would welcome the opportunity to discuss this Site further with the Council in due course.

Yours sincerely,

**VINCENT RYAN**  
Director
