Michael Bell  
Planning Policy and Programmes  
Warrington Borough Council

25<sup>th</sup> November 2016

Dear Mr Bell

## **Warrington Borough Council's Local Plan Review**

It is my understanding that under the above Local Plan Review the Parish Council could request that certain local heritage items could be included in the locally listed part of Warrington Borough Council's plan.

I would be grateful if you could consider updating the local list contained in the current Local Plan with the following.

- 1) The Cutting/Rock at Firs Lane.
- 2) Cromwell's Horse's grave at the junction of Firs Lane and Park Lane.
- 3) Well at the Cutting which contains one of the purest sources of water.
- 4) Lynchgate at the junction of Firs Lane/Windmill Lane and Red Lane.
- 5) The plinth/base remaining of the saxon cross at the junction of Pepper Street/ Cann Lane and Stretton Road in Appleton Thorn.
- 6) Red traditional phone boxes at the junction of Junction of Bridge Lane/Clydesdale Road Appleton and at Junction of Lyons Lane/London Road.
- 7) The gateway posts at the southern end of the Cutting opposite Belfield Cottages.
- 8) The sandstone walls on the public footpath which leads from the side of Shepperton Close to Chalfont Close. This was once part of the Lyons estate.
- 9) The sandstone walls on London Road by Allardyce's wood and on the opposite side leading from the Quarry up to the Golf Course.
- 10) There is a milestone on the wall by Allardyce's wood

I enclose pictures illustrating these for your attention. I hope you can consider adding these to the local list as part of the Plan Review.

If you wish to discuss any aspect of this, please contact me. Many thanks

Yours sincerely

  
Mrs J Monks, Parish Clerk on behalf of Appleton Parish Council.
