Dear Planning Policy Team

**Subject: Warrington Local Plan Review - Regulation 18 Consultation**

Thank you for your email dated 24 October 2016 inviting comments on the proposed scope of the review of Warrington's Local Plan.

The Commission does not have the resources to respond to all consultations, and it is not our practice to respond to consultations on local plans or infrastructure projects unless they raise a clear or significant equality or human rights concern.

Local, Parish and Town Councils and other public authorities have obligations under the Public Sector Equality Duty (PSED) in the Equality Act 2010 to consider the effect of their policies and decisions on people sharing particular protected characteristics. We provide advice for public authorities on how to apply the PSED, which is the mechanism through which public authorities involved in the planning process should consider the potential for planning proposals to have an impact on equality for different groups of people. To assist, you will find our technical guidance [here](#).

Yours sincerely

**Peter Stewart**

Dear Sir/Madam

**Warrington Local Plan Review - Regulation 18 Consultation**

Warrington Borough Council is launching a review of its Local Plan to ensure Warrington is able to meet its development needs over the next 20 years.

For the first stage of this process, the Council would like your views on the proposed scope for the review as set out in the 'Local Plan Scope and Contents Document'. At the same time, the Council is inviting landowners, developers, the local community and other stakeholders to put forward sites which they think could contribute to meeting Warrington's development needs over the Plan period.

The Local Plan Scope and Contents Consultation Document and standard response form along with the call for sites form are available on the Council's web site as well as a number of evidence base documents and Sustainability Appraisal Scoping Report. These can be viewed at the website address below.
