PEEL HALL.

Dear [REDACTED]

Once again, another appeal by Satnam.

Please stand by your last decision not to allow this development to go ahead.

Peel Hall is the only piece of open land left in the area.

The housing around it, complete with several schools, is already a 'rat run' for all kinds of traffic trying to avoid Winwick Road.

Imagine the extra traffic on these roads from so many more houses.

Please seriously consider the suitability of this development.

Yours sincerely,
