I would like to point out the following inaccuracies in the above Plan relating to Croft:

The documentation states that Croft has:-

- 2 pubs
- a hairdressers
- a convenience store
- a framing shop
- No 19 bus to Warrington\Leigh every half hour

In actual fact Croft has:-

- 3 pubs
- a framing shop
- The No 19 bus operates on an hourly not half hourly basis and ceases to run in the evenings.

It begs the question how much more information in the Plan is in fact inaccurate.

Regards
