

To Warrington Borough Council

I wish to object to the proposed development plan for Warrington

I and my family :-

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

Below are my objections:-

Possible compulsory purchase of my family home and many others.

The destruction of wildlife habitat along the disused rail way line and Trans Pennine Trail

The fact that Green Belt land is **not protected**.

The proposed housing in the most expensive parts of Warrington in which if my home is demolished I would not be able to afford to buy.

The increased traffic, noise and pollution on all levels.

The increased population will have a detrimental effect on the National Health Service in Warrington. The hospital, doctors, and dentists are already under strain.

Here are a few objections both from myself and many of my neighbours who are not able to email.

IN HOPE YOU DO NOT TAKE OUR LIVES FROM UNDER OUR FEET
