---

I have received a small leaflet through the door about the proposed main road along the route of the railway embankment through Latchford/Grappenhall and Thelwall. I cannot work out what the little map on it means and having looked at your full proposals on your website, I'm none the wiser as your diagrams don't have any road names labeled other than occasionally a couple of the biggest. For instance, is the embankment in question part of the railway bridge that passes over Wash Lane ? It's all very confusing.

Could you please tell me how my home and my immediate surrounding area will be affected.

As you can appreciate, this is of great concern to me so please reply as soon as you can.

Thank you.
