Comments: I wish to lodge my objection to above planning proposals , I am very disappointed and angry that you wish to destroy this area of natural beauty , it is not feasible in that it lies in the flood plain of High Warren and there would be sewerage and drainage problems , furthermore the road infrastructure can not cope as it is , with the unsuitable Hump Back bridges of Red lane and Hough lane that are already being used as a Rat Run's to avoid Stockton Heath . I am very annoyed as to how the Council has dealt with this and have not been transparent with all the Plans for new house builds over South Warrington , even our newly Elected MP thinks so too. regards [REDACTED]
