Warrington Borough Council. Planning & Policy
Programmes.

As a person who has lived in this area for all
of my life [REDACTED] yrs. I most strongly protest against
the proposed plan to build 22,260 homes in this
area.

Green belt land was meant to be, just that,
green belt, not to used for housing.

We are crowded enough as it is, the roads
are congested, the hospitals stretched to the
limit, specially in winter, the waiting lists
for operations grow, everything will be put
under immense strain if this plan goes ahead
& I sincerely hope that you will reconsider this

proposal for the sake of everyone living
in this area.

Havent we got enough concrete covered
farm land already! please think again.

Sincerely
