TO THE PLANNING OFFICER

Dear Sir

I am writing my views on the proposed development that a plan to take place in the next 2 yrs,

I am totally apposed to the plan in the south of Warrington which will include the destruction of greenbelt in the area which is why alot of the residents moved here for.

The total disruption of all wildlife in the area and the effect it will have on them.

The disruption to the trans pennine trail which we dog walkers use everyday and meet up with friends along the trail.

The devaluing of property in our area we are all upset with these proposals.

Think again W.B.C. it is upsetting alot of people. Do we really need all the building of houses etc.

Think again W.B.C.

WE LOVE OUR GREEN FIELDS
IN THIS GREEN AND PLEASANT LAND
