Comments: I'd like to object to the planned new homes off Lady Lane in Croft by peel for 220 new homes.

I live along part of the proposed new access point on Abbey close [REDACTED] [REDACTED] this is quite cul de sac and with the lack of parking already along this area this is going to cause a major disruption for residents. The Village also has a lack of facilities with no local shops and only 2 primary schools, we also suffer very heavy traffic during peak times and are the main road mustard lane is used like a speedway. It is going to take away green belt and views.
