

LISTED BUILDING CONSENT APPLICATION VALIDATION REQUIREMENTS

Please see the Full Validation checklist for more detail – ie the Master Document

This document provides guidance on what documents are usually required to validate the application.

Other information may also be required in accordance with the full list.

If any of this is missing the application may be delayed until it is provided.

The case officer may request other information after the application has been registered

DRAWING REQUIREMENTS

All drawings should meet the following:

- Portable Document Format (PDF) is the recommended file format to ensure that they are accessible to consultees;
- All drawings shall include a scale bar and key dimensions;
- All drawings shall specify the printing page size for which the scale applies
- All documents and drawings shall be given a meaningful title and dated with drawings given a unique plan reference. For example: Block Plan drawing v1A.pdf or Design and access statement 28102013.pdf.
- Plans should not contain the phrase 'Do not scale'.
- All drawings shall be correctly orientated for on-screen display
- Scanned documents must be a minimum of 200 dots per inch (dpi) resolution for black and white and 100 dpi for colour;
- All photographs in PDF file format and no larger than 15 cm x 10 cm.
- Updated or revised versions of plans or documents should be clearly named to show a change so that the new documents can be easily identified when uploaded. For example Block Plan drawing v1B.pdf or Design and Access Statement 30102013.pdf."
