---

Hello

I would like to register my objection to the proposed plans to build houses on green belt land in lymm. I do not believe there is the infrastructure in place to accommodate further demand. The roads are extremely busy which is intensified when there are issues with the M6, we have no banks and no longer have a post office in the village but even more worrying is the fact when you are ill you can not get an appointment at the doctors unless you had booked weeks ahead.

Please can you confirm this objection has been logged.

Thank you
