Comments: I wish to object to the proposed housing development in both Appleton(red Lane area) and that near Houghs Lane. The area is an amenity to local residents and also residents from all areas of Warrington .It has a lovely aspect and as people approach Walton via the bridleway/footpath and even the canal tow path it is very uplifting and there is a feeling of being in the country right on the doorstep of a busy town.It is also I feel an important area for wildlife eg Buzzards nest nearby. The area a a whole enhances Walton Gardens, giving lots of areas to explore on foot outside the park boundary. Please don` t take these views and walks away from the townspeople either now or at any future time.
