To Whom it may concern,

I'm writing to voice my objection to the proposed development of land in Croft.

[REDACTED] the 'battlefields' the green belt land that is to be build on. I strongly object to these plans due to:

Significant loss of green belt

Traffic congestion in a small village

Rural lane character under threat

Questionable calculation of the growth forecast of new houses required.

More noise, more building

I am deeply concerned at the lack of consultation to these proposals as heard about it only 2 weeks ago.

I do not support this plan at all.
