Following the consultations on the proposed plans to build on greenbelt land, I believe that the aspirations for such massive growth will have a considerably adverse effect on Warrington. Warrington Borough Council should abandon plans to build on greenbelt land and deliver a local plan using only brownfield sites which reflect the true needs and aspirations of the residents of Warrington, reducing the housing target to represent true local need rather than driving a forced, unsustainable growth of the town.

Build on greenbelt land? Not in my name!
