

[REDACTED]

Hi [REDACTED]

As you may be aware, we represent a client (Majornet Ltd) with site interests at the edge of Lymm and off Rushgreen Road. We submitted representations on their behalf to your SHLAA and most recent Reg 18 Local Plan consultation (please see attached location plans and call for sites forms for the two parcels of land). We were hoping to arrange a meeting with you and your colleagues to discuss the potential allocation of our client's sites in order to meet the identified draft housing requirement for Lymm. We would like to discuss the merits of these sites and whether there is any additional technical information we can provide to assist you.

One of our client's sites (Tanyard, Rush Green Road – Parcel A on the attached) is the subject of a pre-application enquiry by Bellway Homes.

We are available to meet as soon as possible, depending on your calendar and commitments. I'd appreciate it if you could get back to me with your view on having this meeting, and some potential dates.

If anything is unclear, please do not hesitate to contact me or my colleague, [REDACTED].

Kind regards,

[REDACTED]

'Call for Sites'

Warrington Borough Council Local Plan Review

Call for Sites Registration Form

October 2016

Please note this 'Call for Sites' is for five or more dwellings or economic development on sites of 0.25 ha (or 500sqm of floor space) and above, Gypsy, Traveller and Show People and Minerals and Waste sites.

The identification of sites does not imply that the Council considers that the site is suitable for development, either now or in the future. It cannot be taken as representing either an intention to allocate these sites, or as a material consideration in the determination of a planning application.

Potential sites that have been identified will be further tested through the Plan-making process, including through the Spatial Distribution and Site Assessment Process, Sustainability Appraisal/Strategic Environmental Assessment, several stages of public participation and independent examination.

Please also note that all the responses and information received as part of the 'Call for Sites' will be published and made available for public viewing as part of the open and transparent Plan making process.

NOTE: Please read the accompanying guidance note [here](#) before completing this form and complete a **separate** form for each site that you are submitting to the Council.

Please return your completed form and any accompanying supporting material to Planning Policy, Warrington Borough Council no later than 5.00pm on Monday 05th December 2016.

By e-mail: ldf@warrington.gov.uk

By post: Planning Policy, Warrington Borough Council, New Town House, Buttermarket Street, Warrington, WA1 2NH

Should you require further advice and guidance on completing this form, please contact the Planning Policy Team by telephone on 01925 442841 or by e-mail to ldf@warrington.gov.uk
