

Dear Warrington council

So you plan to ruin Lymm's green Belt by building 500 houses (which 100% of Lymm residents are completely and utterly against). And you Also don't maintain the football pitches. Ridgeway grundy park was completely unplayable for the boys who play for Lymm Piranas last week due to the grass being so long. One of the dads had to take his own lawn mower to mow it!! Totally unacceptable.

And to think we pay you money for this? Needs sorting out .
