'Call for Sites'

Warrington Borough Council Local Plan Review

Call for Sites Registration Form

October 2016

Please note this 'Call for Sites' is for five or more dwellings or economic development on sites of 0.25 ha (or 500sqm of floor space) and above, Gypsy, Traveller and Show People and Minerals and Waste sites.

The identification of sites does not imply that the Council considers that the site is suitable for development, either now or in the future. It cannot be taken as representing either an intention to allocate these sites, or as a material consideration in the determination of a planning application.

Potential sites that have been identified will be further tested through the Plan-making process, including through the Spatial Distribution and Site Assessment Process, Sustainability Appraisal/Strategic Environmental Assessment, several stages of public participation and independent examination.

Please also note that all the responses and information received as part of the 'Call for Sites' will be published and made available for public viewing as part of the open and transparent Plan making process.

NOTE: Please read the accompanying guidance note [here](#) before completing this form and complete a **separate** form for each site that you are submitting to the Council.

Please return your completed form and any accompanying supporting material to Planning Policy, Warrington Borough Council no later than 5.00pm on Monday 05th December 2016.

By e-mail: ldf@warrington.gov.uk

By post: Planning Policy, Warrington Borough Council, New Town House, Buttermarket Street, Warrington, WA1 2NH

Should you require further advice and guidance on completing this form, please contact the Planning Policy Team by telephone on 01925 442841 or by e-mail to ldf@warrington.gov.uk

(5) Market Interest

Please choose the most appropriate category below to indicate what level of market interest there is in the site:

		Any comments
Site is owned by a developer	<input checked="" type="checkbox"/>	We wish to build our own house.
Site under option to a developer	<input type="checkbox"/>	
Enquiries received	<input type="checkbox"/>	
Site is being marketed	<input type="checkbox"/>	
None	<input type="checkbox"/>	
Not known	<input type="checkbox"/>	

We have been approached several times over the last decade to sell the land to self builders. We wish to build our own home in the area but cannot find suitable land. There is considerable demand for self build in the Croft, Glazebury and Culcheth areas but unfortunately there is no land availability. We are on the councils land register for self builders but have had no land made available to us as of this date. We know other self builders who are also looking for land many give up and purchase existing properties. There is a clear demand for self build plots in this area.

(6) Site Condition

Please record the current use(s) of the site (or for vacant sites, the previous use, if known) and the neighbouring land uses.

Current use(s)	Garden		
Neighbouring Uses	Gardens and open fields/agricultural		
If vacant	Previous use(s)		
	Date last used		

What proportion of the site is made up of buildings, and what proportion is (open) land?

Proportion covered by buildings	6	%	Proportion not covered by buildings	94	%
---------------------------------	---	---	-------------------------------------	----	---

If there are buildings on the site, please answer the following questions:

How many buildings are there on the site?	1	buildings
What proportion of the buildings are currently in use?	% in use: 100	%
	% derelict:	%
	% vacant:	%
Are any existing buildings on the site proposed to be converted?	no	

For the **parts of the site not covered by buildings**, please answer these questions:

What proportion of the land is currently in active use?	100	%
What proportion is greenfield (not previously developed)?	100	% (A)*
What proportion is previously developed and cleared?		% (B)*
What proportion is previously developed but not cleared? (e.g. demolition spoil, etc.)		% (C)*

* A plus B plus C should add to 100%.

Please provide any additional comments on a separate sheet if necessary.

(7) Constraints to Development

Please tell us about any known constraints that will affect development for the proposed use, details of what action is required, how long it will take and what progress has been made.

Please use a separate sheet where necessary to provide details. If using separate sheets, it would be helpful to make reference there to the particular constraint, e.g (7)(e) – Drainage.

(8) Site Availability

Please indicate when the site may be available

Excluding planning policy constraints, when do you believe this site could be available for development?

Immediately yes (Note: to be "immediately available", a site must be cleared, unless being considered for conversions.)

If not immediately, please state when it could be available:

If the site is not available immediately, please explain why – e.g. the main constraint(s) or delaying factor(s) and actions necessary to remove these:

No constraints

(9) Any Other Information

Please tell us anything else of relevance regarding this site if not already covered above that will ensure that it contributes positively to the achievement of sustainable development. Please use a separate sheet/s if necessary.

The site has been used as garden area for Beech House for the past 20 plus years. It is enclosed with access directly to Heath Lane. We own the land and wish to build a new self build low carbon house for the family who are settled in the area with Children at Culcheth High School and I run a business from home. We have been unable to source a self build plot in the area despite years of effort. There is a demand for self build plots in the area and the demand has yet to be recognized by WBC.
