

Subject: Request for sports provision

To whom it may concern.

Whilst I acknowledge the need for further housing and infrastructure, I would like to express my concern in the lack of sports fields.

As Chairman of WRUFC ,we have over 250 Mini and Juniors, and 60 plus seniorsbased at WSC Walton lea Rd we require additional pitches and car parking to assist in our growth. We are already turning young children away as we have no capacity. Clubhouse and Changing facilities are more than adequate, just a lack of "green space".

The area in and around Mill lane would be ideal ,as beneath the new proposed expressway bridge.

As I speak on behalf of 300+ members I would welcome a further opportunity to discuss further.

Kind regards
