Subject: Re: Local Plan Consultation

Dear [Redacted]

Further to the recent meeting at The Village Hotel where we chatted to you at length regarding the proposed residential development surrounding our house, [Redacted]

At the meeting you didn't have all the relevant information available and you said that if I sent an email you would be able to let me know how many houses are proposed to be built on B2 and B3.

I would be grateful if you could provide this information by return.

I would also like to formally object to this development as it will have a huge impact on our view and our main

living space and garden will become directly overlooked.

Looking forward to hearing from you by return.

Kind regards
