Subject: Local Plan

I wish to strongly complain at the proposals made in the Local Plan.

Lymm has become overwhelmed with new houses over the last 20 years, but without investment in infrastructure, such as doctors, dentists and specifically roads.

The roads are often snarled up, especially when there is an accident on the nearby motorway network.

Our greenbelt is extremely valuable and we should not be allowing any development on it.

The roads around the new developments proposed for the Satham area in Lymm, are of particular concern.

The roads will not cope with the additional traffic.

Satham school is also in the middle of the development, creating more traffic congestion around school opening / closing times.

The roads into Warrington are already extremely busy at peak times, making travelling to Warrington a challenge, and time consuming.

Regards

Alma and John Shuttleworth
