Dear Sir/madam

I understand that we need more housing in the [REDACTED] in the area but I feel the plan is not seriously thinking the impact these number of houses will effect the services offered in Warrington

[REDACTED] the local hospital and over the last year or so we are not coping with the numbers coming in .We are often on "Full capacity " (no free beds).We need to consider a new modern hospital with enough beds .This needs to be sorting now .

My local GP surgery [REDACTED] is so hard to get into .We need More GP surgeries built at the same time as the houses or the access service offered in our area will be poor

Our local roads in south Warrington are so congested.We won't be able to cope with more cars unless new roads are planned.

Why aren't we building on brown sites -why do we have to use our Green belt land

Regards

Mrs Karen Evans
