Dear Sirs

Warrington Local Plan  
and Local Transport Plan

I am writing to voice my concern regarding the scale of development being planned in Warrington.

I have lived in South Warrington all of my life and fear the suggested plans are just too ambitious.

One of my main concerns is the transport infrastructure to travel around all of the Warrington area

each day in my job

The roads are already congested and rely on 3 very old Swing Bridges to get into Warrington. When the Motorways are down the town is absolutely gridlocked so how would we deal with all the extra vehicles, also creating additional air pollution.

Our local Health facilities are over-stretched already - doctors surgeries are struggling dealing with the ageing population and as for Warrington Hospital it is a nightmare trying to find a parking space without additional vehicles.

Surby all brownfield sites should be investigated thoroughly before green belt is even considered.

What are the special circumstances to justify the release of precious Gre

Belt. The loss to Wildlife would be tragic - habitats are already vanishing at an alarming rate. Therefore, I would urge you to reconsider the Jca of this planned development.

yours faithfully

Mr David A YUNE.
