In ENGLAND'S GREEN

and Pleasant Land. (NOT ANY MORE)

There is, In my opinion, You should not
be building on GREEN FIELD SITES irrespective
of any GOVERNMENT PERMISSION.

Where there is improper and
restrictive admission i.e. ABBEY CLOSE
entrance turning left into DEACONS CLOSE
The (MAIN ROAD AND SOME FOOTPATHS ARE
TOO TIGHT ESPECIALLY BY CROFT PRIMARY)
(THE ONE WORDS NO PROPER INFRASTRUCTURE)

We need more trees not cutting some
Down.

Yours Respectfully
