Dear Sirs

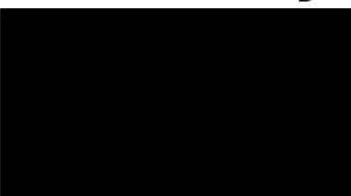

Re The Local Plan for Warrington

I am writing to express my concern that the Local Plan is proposing to use large areas of green belt for housing without there being any exceptional circumstances. I also believe that the housing targets are not realistic.

Furthermore, may I draw your attention to the proposed housing to be built on land to the west of Lymm. I suggest that there has been no thought given to how traffic would access and exit this proposed site. Surely it is obvious to anyone who regularly uses Massey Brook Lane on a daily basis that this just would not be feasible.

I would ask that you consider my response and think again about many aspects of this Local Plan as I believe that in its present state it is not "Sound"

Yours faithfully

Peter Clarke
