To whom it may concern

I am writing to you as a [REDACTED] resident to object to the council's proposed local plan.

I am strongly concerned about pollution in the town and how this plan doesn't seem to be giving this factor much consideration. Industrial parks and increased HGV movement taking place on our greenbelt is an absolute catastrophe. This proposed action will have a direct effect on the health and wellbeing of Warrington's residents.

I strongly believe that the council is putting profit before people.

Yours sincerely
Carole Waring
