Subject: Objection to Warrington Local Plan
Date: 17 June 2019 15:57:40

I am writing to object to the local plan. I feel this plan is being rushed through without proper scrutiny and consideration for public health.

The planned commercial development near Appleton Thorn/Grappenhall will destroy precious green belt and eradicate the village landscape.

This is a major concern for myself and my family. Warrington already has the worst record for small particulate emissions and with this additional traffic, air quality and noise pollution will dramatically increase.

I am also concerned about the underfunding of local infrastructure projects. How will sufficient funds be allocated in order to properly deliver these projects?

Overall I feel that these plans are both unsound and undeliverable. They put profit before public health.

Regards
Lynda Cunningham
