I am writing to object to the Local Plan as I believe it to be unsound and undeliverable. The roads in South Warrington are heavily congested even now and Hatton becomes much busier because of traffic holdups. As you can appreciate this anticipated house growth and the resulting 2+cars per house is untenable on the roads. No real commitment to costs to build the has been promised and as such local villages will become rat runs to avoid queueing to get to the motorways or to stockton heath.
