Myself and my wife strongly object to the loss of any more greenbelt land as proposed in the Local Plan. The Warrington New Town over the last 40 years have destroyed thousands of acres of agricultural land. Warrington does not deserve any more destruction of our green belt as we have already suffered enough for the next 50 years. Had the planners of Warrington New Town disclosed the future requirements I am sure there would have been huge protests years ago. Let us have no more excuses for the demand of green field sites in our locality.

Mr and Mrs W. Lester,
