TO PLANNING POLICY & PROGRAMMES WARRINGTON BOROUGH COUNCIL NEW TOWN
HOUSE BUTTERMARKE STREET WARRINGTON WA1 2NH

FROM EILEEN PRIESTNER [REDACTED]
WARRINGTON [REDACTED]

The 2019 local plan is unsound and loss of green belt land between villages of Higher Walton and Moore for 1,600 houses with community centre and school is unjustified and unnecessary.

Despite many sensible objections and alternatives related to the earlier local plan in 2017 the Council does not appear to have listened or given serious consideration to the genuine concerns of those who responded during the consultation period. I can only hope that the plan has to go to a public enquiry and that eventually common sense will prevail.

Sorry, I have never been one for stifling ambition but this latest plan, like the previous one, is over the top and cannot be delivered for those who are probably looking at CITY status sometime in the future !!!

Kind regards,

Mrs Eileen Priestner
