Subject: Build More Homes
Date: 08 June 2019 08:17:41

Just received Lib Dems anti building sheet. Disgrace and disgusting we need more home. Please build 10000 new homes on big plots and relieve the suffering of many. Don't cramp 20 units to an acre give space and make it beautiful. Release more land for housing. Beautify the green belt with great homes for families.
