I wish to submit an objection to the local plan for Warrington. Those of us who live here do so due to the areas of green belt land and village feel. This ridiculous plan will take that away and I have yet to hear any good reason as to why the growth needs to be on such a huge scale. If this goes ahead I will sadly move away from Warrington altogether. Please see below for my full objections.

LP-PSV Issues

- Unjustified economic growth based on old data and ambitious assumptions
- Overwhelming house build schemes - 18,900 houses across Warrington by 2037
- Overwhelming commercial premises near Appleton Thorn/ Grappenhall, - situated on approx. 365 hectares of pristine land, some of it precious Green Belt land; premises would be 2nd biggest in the country behind Trafford Park
- Urban sprawl, 7400 houses in S Warrington alone, mostly around Appleton Thorn; destruction of village character and landscape
- Unrelenting additional traffic, 2,000 HGVs per hour from Langtree Six/56 commercial warehousing site with 42m high 'sheds'
- Pollution- air quality/ noise – Warrington already has worst record in the country for dangerous small 2.5-micron particulate emissions
- Violation of green belt land, no special circumstances to release GB for new build premises
- Contravention of Thorn Ward Neighbourhood Development Plan (NDP)

Transport Plan LTP4

- Poor transport strategy lacking essential detail – lots of road infrastructure is unplanned or only aspirational across lifetime of the Local Plan
- Some infrastructure projects (roads and bridges) will be grossly underfunded and therefore whole plan is undeliverable

OVERALL BOTH THE LP-PSV and LTP4 are UNSOUND AND UNDELIVERABLE

Regards

Victoria Mitchell
