Dear Sirs

Further to the draft local plan I wish to register my objection for the following reasons:

- 1) No exceptional circumstances to remove land from green belt.
- 2) Lack of sufficient infrastructure to accommodate additional housing such as roads, schools, doctors, dentists, social care etc.
- 3) Lack of detailed information with regards to the plan such as the site of the hospital, crossings over the Ship Canal which prevents an informed decision.
- 4) Preference should be given to brownfield sites such as Fiddlers Ferry which ceases production March 2020, but is not included in the plan.
- 5) Timescale of the plan is excessive being 20 years not 15.
- 6) The housing figures are over estimated and not in accordance with government guidelines.
- 7) Detriment to the character of the villages which greenbelt is there to protect.
- 8) Air pollution caused by additional traffic.
- 9) Lack of affordable housing.

Yours faithfully

Yvonne Laing
