To whom it may concern, here is my objection to the local plan

LP-PSV Issues

- Unjustified economic growth based on old data and ambitious assumptions
- Overwhelming house build schemes - 18,900 houses across Warrington by 2037
 - Overwhelming commercial premises near Appleton Thorn/Grappenhall, - situated on approx. 365 hectares of pristine land, some of it precious Green Belt land; premises would be 2nd biggest in the country behind Trafford Park
 - Urban sprawl, 7400 houses in South Warrington alone, mostly around Appleton Thorn; destruction of village character and landscape
 - Unrelenting additional traffic, 2,000 HGVs per hour from Langtree Six/56 commercial warehousing site with 42m high 'sheds'
 - Pollution- air quality/ noise – Warrington already has worst record in the country for dangerous small 2.5-micron particulate emissions. There's a proven link btw exposure to small particulates and premature death (respiratory, heart)
- Violation of green belt land, no special circumstances to release GB for new build premises
 - Contravention of Thorn Ward Neighbourhood Development Plan (NDP) **TRANSPORT PLAN**
- Poor transport strategy lacking essential detail – lots of road infrastructure is unplanned or only aspirational across lifetime of the Local Plan **LTP4**
 - Some infrastructure projects (roads and bridges) will be grossly underfunded and therefore whole plan is undeliverable

OVERALL BOTH THE LP-PSV and LTP4 are UNSOUND AND UNDELIVERABLE

Regards
Jacqueline Staples
