Re: Local Plan Proposed Submitted Version (LP-PSV)

Dear Sir/ Madam,

I would like to object to the proposed plan on the following basis:

There are already overwhelming commercial premises near Appleton Thorn and Grappenhall. This is located on approximately 365 hectares of pristine land. This will result in the second biggest sprawl in the country , after Trafford Park.

Warrington already holds the envious position of the highest pollution rates in the country, as in 2.5 micron of dangerous particulate emissions. For Christ's sake, we are bringing up our children here!!!!

The proposed development is in direct contravention of the Thorn Ward Neighbourhood Development Plan (NDP)

As regards the Transport Plan (LTP4), this lacks essential detail , in that much of the road infrastructure is unplanned and wholly aspirational. If it walks like a duck, looks like a duck , then it is a duck!

Yours sincerely

Leigh Bradley
