**Comments/file description**

I am in favour of the Western Bypass Road. However, I think it should not have a roundabout in the middle for development access because this will simply attract more traffic and the need for another bypass again. I am against the Warrington South link road because it will attract more development and not solve the current traffic issues. Warrington is big enough, I am against more development. Also we still have fields allocated for development from the New Town time, these should be finished before new fields are allocated.

You have just completed a Representation Form for Draft Local Plan (as a whole). What would you like to do now? Please select one option.
