Loss of Green Belt is contrary to national policy and is not justified against the objectives of the plan.

It is evident that whilst Halton Council have revised their draft plan to reflect cross boundary working this has not been a consideration for Warrington Borough Council no changes have been forthcoming and therefore cannot be considered to meet the test of soundness.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The local plan needs modifying to ensure a practical strategic gap. A wider gap is necessary to enable national policy to be achieved

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
