PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Draft Local Plan (as a whole)

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The Local Plan does not fulfil the legal requirements or competencies when considering the impact and effect on the local environment and infrastructure.
The Local Plan fails to comply with it's duty to consider the impact on the local community. The present plan and supporting document are either incomplete or inadequately prepared or in sufficient detail to enable a full impact of the proposed plan to be analysed and therefore evaluated.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Future Demand on housing is not based on any reliable evidence but is based on vague hypothetical assumptions which are certainly not a basis for a major comprehensive expansion of housing.

The plans are based on existing infrastructure facilities which do not meet the existing needs never-mind a major expansion plan.

The loss of large areas of Green Belt do not consider their impact on future generations or the reduction of green spaces on the environment already having a massive negative impact on our quality of life.

The proposed plan is NOT FIR FOR PURPOSE and therefore rejected.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
