PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Policy MD2 Garden Suburb

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Incorrect assumption on housing requirements.
Traffic and public transport assumptions incorrect. The infrastructure will not support the numbers proposed.
Insufficient provision of schools and further education
The proposals are too extensive for the existing housing and will be devastating for current residents and the future of this area.
Alternatives have been put forward to avoid this loss of green belt land and the possibility that the council and their advisors can predict 20 years is ludicrous.
The proposals are ill thought out and take no account of the transport and infrastructure problems.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

It is the council's responsibility to produce a plan that identifies and meets the problems raised above based on realistic assumptions over a sensible time frame.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:
I am happy to rely on the planning consultants employed by the parish councils.
