	Yes	No
Legally Compliant

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Objectively the plan is misplaced , unjustified and ineffective for the following reasons

1. The projections for housing numbers are too high
2. The release of green belt is difficult to justify given the number of brown field sites in the Borough
3. The character of the area will be damaged which in turn will result in reduced demand
4. The infrastructure cannot cope - roads, schooling and health services in particular
5. Environmental damage will be caused with congestion, pollution and air pollution.
6. The proposals are undeliverable in terms of the Borough's expertise and capability and the limitations imposed by the infrastructure and geography
7. The timeframe of 20 years is too long and does not take account of the potential for release of further brown field sites.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
