PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Draft Local Plan (as a whole)

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The plan does not meet the areas assessed needs and far exceeds what is needed. The housing numbers are too high without an equivalent increase in local infrastructure.
Without extra roads, the area will suffer from even more congestion and pollution. The swing bridges at the Stag and in Stockton Heath already have standing traffic jams for most of the day and the large number of extra houses in the plan will bring the area to a gridlock.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

A major reduction in the number of proposed new builds. More of the builds being centered on brown field sites.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
