PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Policy MD2 Garden Suburb

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I do not consider there to be a sound reason for the release of so much of the green belt. The Council figures for housing requirements present no downside based on changes in economic circumstances. The policy should clearly state the order in which land is released for development with higher priority to brown field developments. In any case, the release of land does not appear to correlate to predicted population growth.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I suggest that an a proposal is made that identifies how land and sites would be released in the event that 528 houses are actually required per year as estimated by official population predictions, rather than 945 as assumed by the council. This proposal must focus on the use of brown field sites first and should be more even in its distribution of the release of a minimum amount of green belt throughout Warrington to minimise the impact on any community.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
