PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Draft Local Plan (as a whole)

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The proposed housing numbers are too high, population predictions are a little over 50% of that proposed in the plan and therefore not justified
Release of greenbelt land is unjustified and should only be done in exceptional circumstances
The proposed plan does not offer a suitable solution to the increased traffic and congestion that would be created. The area already suffers with congestion at peak times and there is no justification to adding to it
With the increase in traffic would come increased air pollution especially through Stockton Heath
The proposed plans will completely change the character of the area. What are currently distinct villages will become part of a mass urban sprawl

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
