PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Draft Local Plan (as a whole)

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Housing numbers are too high - near double what is remotely justified.

There is no justification for releasing green belt land. There are plenty of other options available.

The plan is fundamentally flawed and looks too far ahead.

Highways and canal crossings have not been given proper or sufficient consideration.

Congestion and pollution is a major, debilitating, issue already in Warrington, made even worse by this plan.

Schools and health centres are insufficient now let alone under the plan.

Air pollution is not addressed or tackled.

The character of the area will be destroyed with historic villages subsumed by too many identical houses.

The proposals seem undeliverable and make me deeply concerned for the future of our local area.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Significantly fewer houses, not on green belt land, considerably better road structures and bus services to South Warrington (e.g busses along London Road to the golf course only go approximately every 2 hours for a very small part of the day. This is not a usable service). Greater number of medical services.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
