3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The local plan is undeliverable and not sound. This is because there is insufficient detail regarding transport links and infrastructure including the building of a new hospital.  
The plan should only be for 15 years not 20.

The plan over provides the number of dwellings required and ignores the latest government advice.

Loss of green belt land has not been justified as exceptional circumstances.

4 concurrent plans requiring comment is unreasonable and is suspiciously confusing.

No account has been taken into worsening air quality especially as Warrington has one of the worst in the country

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
