None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Draft local plan is not sound, as it is using up quality Cheshire green belt land, planning for far too many homes without pre delivering significant infrastructure for education, roads, and health provision.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Given that we are committed as a country to reduce greenhouse emissions, and as such Fiddlers Ferry power station is to be decommissioned and demolished. Then surely development to this brownfield site is the way forward, rather than swallowing up our green belt land.

Additionally the number of planned homes is far in excess of official population increase predictions, therefore overall plan is flawed.

If this proposed development is allowed then the current council offices will be culpable in destroying the character of Warrington and its surrounding villages.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
